

Jeff Waz On The Beat Box

DJ Jazzy Jeff & The Fresh Prince

hip-hop

chance to rock

*Jeff waz on the beat box*There was a party the other day

Around my way

They asked if me and Jeff would play

We said okay

We nipped out to get the hip hop apparatus

Came back with the posse in full effect status

While Jeff set up, I said "check one two y'all"

Everybody clap lets begin to ball

I was rapping a capella but I had to stop

Because chaos broke because Jeff waz on the beat boxJust cut it up Jeff

hip-hop

chance to rock

*Jeff waz on the beat box*Did you know that parties were all the same when we came up

We had to rearrange and make a change

I remember how it was people standing still

The music was wack so they chose to get ill

People started breaking and fights would start to break out

This is the reason why some people make out

Hip-hop to be bad

Because of this behaviour

Then like a miracle two musical saviours

One with a microphone

The other with tables

Both up ready both willing and able

Burst on the scene like TNT

People said, "who can it be?"

Cant you see it's Jeff and me

We all blazed as musical scholars

Fast admiration ??? dollars

Couple of kids with a bright idea

Didn't want a 9 to 5 made rap careers

People tried to diss and make the egos shrink

But we believe in ourselves so to hell what they think

Moving like a freight train we can't be stopped

Especially when I'm on the microphone and Jeff is on the beat box*hip-hop*

chance to rock

*Jeff waz on the beat box*Yo cut it up Jeff

Scratched "hip-hop" I know I talk about Jeff a whole hell of a lot

But straight up man you gotta give him his props

There's not many people who can do what he does

Marly Marl, Teddy Riley and herbie the lovebug

But other than that there's not many around

That can take that box and make it sound

Like anything that you could possibly want

Now heres a rhyme that sums it up

Jeff is diggy diggy d dope and

You DJ's out there keep hopin

His beat boxers will be broken

But you might as well just keep hopin

????

You think he can your mis-taken

Our records he is brizzeakin (breakin0

(Come on man you can mix)

Grammy winning musicians

His beat box is a kizz- kickin

And all my rhymes are hizz-hittin

The albums out so go get it

There ain't no way we st-stopping

We got the party rizzockin (rockin)

We got the crowd a hip hoppin

When Jeff is on the beat box*chance to rock*

*Jeff waz on the beat box*One more time scratch Jeff*hip-hop*Mmm lets see what's next on the agenda

That's right oh yeah I've got it I remember

I was discussin when Jeff's on stage

Yeah hands clap

Ya feet tap

Ya eardrums pulsate

Ya body will move

As ya flow with the groove

And you smile as he composes this new rap tune

When he's on the stage he can't be stopped

Specially when I'm on the microphone and Jeff is on the beat box
