Ain't Nothin' Like A Jones

Tyrese

I've got a Jones in my bones, woah ohI've been thinkin' about you babe
I wanna tell you what's on my mind
'Cause you been hangin' around me late
Now, I'm reading between the lines(I've been)
I've been waitin' on you
(And you've been)
And you've been waitin' on me
(So tell me)
So can we get together in real love ecstasy'Cause it ain't nothin' like a Jones in ya bones
Ain't nothin' real as the feelin' I feel
I'm sizing you up, 'cause I know what I want
You're breakin' me down, because I need you nearSaid, it ain't nothin' like a Jones in ya bones
Ain't nothin' real as the feelin' I feel
I'm sizing you up, 'cause I know what I want
You're breakin' me down because I need you nearI can see that you're ready babe
So won't you tell me what's on your mind
I've had enough of the games we're playing
And I've been feelin' to make you mine(I've been)
But I've been waitin' on you
(And you've been)
And you been waitin' on me
(So tell me)
Can we get together in real love ecstasy'Cause it ain't nothin' like a Jones in ya bones
Ain't nothin' real as the feelin' I feel
I'm sizing you up, 'cause I know what I want
You're breakin' me down, because I need you nearSaid, it ain't nothin' like a Jones in ya bones
Ain't nothin' real as the feelin' I feel
I'm sizing you up, 'cause I know what I want
You're breakin' me down because I need you nearSaid, it ain't nothin' like a Jones in ya bones
Ain't nothin' real as the feelin' I feel
I'm sizing you up, 'cause I know what I want
You're breakin' me down because I need you nearSaid, it ain't nothin' like a Jones in ya bones
Ain't nothin' real as the feelin' I feel
I'm sizing you up, 'cause I know what I want
You're breakin' me down because I need you nearIt's time, I express to you
The joy you bring when we're together baby
Can we be more than friends?
I need to know
This waitin' is drivin' me crazyDo you got it I got a Jones

Do you got it, make it hot?
Do you got it I got a Jones
Do you got it, make it hot?'Cause it ain't nothin' like a Jones in ya bones
Ain't nothin' real as the feelin' I feel
I'm sizing you up, 'cause I know what I want
You're breakin' me down, because I need you nearSaid, it ain't nothin' like a Jones in ya bones
Ain't nothin' real as the feelin' I feel
I'm sizing you up, 'cause I know what I want
You're breakin' me down because I need you near'Cause it ain't nothin' like a Jones in ya bones
I'm sizing you up, 'cause I know what I want
Said, it ain't nothin' like a Jones in ya bones
I'm sizing you up, 'cause I know what I want
You're breakin' me down because I need you nearSaid, it ain't nothin' like a Jones in ya bones
Ain't nothin' real as the feelin' I feel
I'm sizing you up, 'cause I know what I want
You're breakin' me down because I need you nearSaid, it ain't nothin' like a Jones in ya bones
Ain't nothin' real as the feelin' I feel
