

The Young Ones (Original Undubbed Master)

Cliff Richard

The young ones,
Darlin' we're the young ones.
And the young ones
Shouldn't be afraid
To live low
While the flame is strong
'Cause we may not be the young ones very long Tomorrow,
'Cause tomorrow sometimes never comes.
So love me,
There's a song to be sung
And the best time is to sing it while we're young. Once in every lifetime
Comes a love like this.
Oh, I need you
You need me.
Oh my darling, can't you see?
Young dreams
Should be dreamed together
And the young hearts shouldn't be afraid.
And someday when the years have flown
Darling, then we'll teach the young ones a yarn. Once in every lifetime
Comes a love like this.
Oh, I need you
You need me.
Oh my darling, can't you see?
Young dreams
Should be dreamed together
And the young hearts shouldn't be afraid.
And someday when the years have flown
Darling, then we'll teach the young ones a yarn.
