

Endless (The Thin Red Men Club Mix)

Inna

As I'm going down and down
I have dreamed a better place
As the world turns round and round
Sun is always in my fate.Sometimes you go away
A million miles away
Sometimes you don't know where
Don't worry I'll be there.Can you bring me sunrise can you bring me the sunrise
Can you bring the sun in my way
Can you bring me sunrise can you bring me the sunrise
Can you bring the sun in my life.Now I close my eyes again
And I'm thinking to myself
Will I ever love again
Hope you'll be a better manSometimes you go away
A million miles away
Sometimes you don't know where
Don't worry I'll be thereCan you bring me sunrise can you bring me the sunrise
Can you bring the sun in my way
Can you bring me sunrise can you bring me the sunrise
Can you bring the sun in my lifeSometimes you go away
A million miles away
Sometimes you don't know where
Don't worry I'll be thereCan you bring me sunrise can you bring me the sunrise
Can you bring the sun in my way
Can you bring me sunrise can you bring me the sunrise
Can you bring the sun in my life.
