Badlands

Bruce Springsteen

Light's out tonight
Trouble in the heartland
Got a head-on collision
Smashin' in my guts, man
I'm caught in a crossfire
I don't understandBut there's one thing I know for sure, girl
I don't give a damn
For the same old played out scenes
I don't give a damn for just the in-betweens
Honey, I want the heart, I want the soul
I want control right nowTalk about a dream, try to make it real
You wake up in the night
With a fear so real
You spend your life waiting
For a moment that just don't come
Don't waste your time waitingBadlands, you gotta live it everyday
Let the broken hearts stand
As the price you've gotta pay
Keep pushin' till it's understood
These Badlands start treating us goodWorkin' in the field
Till you get your back burned
Workin' 'neath the wheels
Till you get your facts learned
Baby, I got my facts
Learned real good right nowGet it straight
Poor man wanna be rich
Rich man wanna be king
And a king ain't satisfied
Till he rules everything
Wanna go out tonight
Wanna find out what I gotI believe in the love that you gave me
I believe in the faith that could save me
I believe in the hope
And I pray that some day
It may raise me above theseBadlands, gotta live it everyday
Let the broken hearts stand
As the price you've gotta pay
Keep pushin' till it's understood
These Badlands start treating us good

Whoa, whoaFor the ones who had a notion
A notion deep inside
That it ain't no sin
To be glad you're alive
Wanna find one face
That ain't looking through me
Wanna find one place
I wanna spit in the face of theseBadlands, you gotta live it everyday
Let the broken hearts stand
As the price you've gotta pay
Keep pushin' till it's understood
These Badlands start treating us goodWhoa, whoa, Badlands
Whoa, whoa, Badlands
Whoa, whoa, Badlands
Whoa, whoa, Badlands
Whoa, whoa
