

Lightning Strikes

Lou Christie

Listen to me, baby, you gotta understand (baby-ah-oh)
You're old enough to know the makings of a man (baby-ah-oh)
Listen to me, baby, it's hard to settle down (baby-ah-oh)
Am I asking too much for you to stick around?

Every boy wants a girl
He can trust to the very end
Baby, that's you
Won't you wait? But 'til then
When I see lips beggin' to be kissed
(Stop)
I can't stop
(Stop)
I can't stop myself
(Stop, stop)

Lightning's striking again
Lightning's striking again

Nature's takin' over my one-track mind (baby-ah-oh)
Believe it or not, you're in my heart all the time (baby-ah-oh)
All the girls are sayin' that you'll end up a fool (baby-ah-oh)
For the time being, baby, live by my rules

When I settle down
I want one baby on my mind
Forgive and forget
And I'll make up for all lost time
If she's put together fine
And she's readin' my mind
(Stop)
I can't stop
(Stop)
I can't stop myself
(Stop, stop)

Lightning's striking again
Lightning's striking again
And again and again and again

(Baby-ah-oh, baby-ah-oh, baby-ah-oh)

Lightning's striking again
Lightning's striking again

There's a chapel in the pines
Waiting for us, around the bend
Picture in your mind
Love forever but 'til then
If she gives me a sign
That she wants to make time

(Stop)

I can't stop

(Stop)

I can't stop myself

(Stop, stop)

Lightning is striking again
Oh, lightning's striking again
And again and again and again
Lightning's striking again
And again and again and again
