Pecos

The Velvet Teen

No rage surges
Through my amplifier
More dangerous
A happy fighter
No cage or rush
But ample fire
From Los Angeles
To the top of the empireYou can make it better
But it takes an effort
Don't wait for fairer weather
Make use of the wind
Did you forget your soul, survivor
Beat a billion sperm
To ankle biter
I was made from dust
Call me Macgyver
And will return as such
A tornado rider
You can make it better
But it takes an effort
Don't wait for fairer weather
Make use of the wind
