

Don't Explain

[Diana Ross](#)

Hush now, don't explain
Just say you'll remain
I'm glad you're back
Don't explain Quiet, don't explain
What is there to gain?
Skip that lipstick
Don't explain You know that I love you
And what love endures
All my thoughts are of you
For I'm so completely yours Cry to hear folks chatter
And I know you cheat
Right or wrong, don't matter
When you're with me, sweet Hush now, don't explain
You're my joy and pain
I'm glad you're back
Don't explain You know that I love you
What love endures
All my thoughts of you
For I'm so completely yours Cry to hear folks chatter
And I know you cheat
Right or wrong, don't matter
When you're with me, sweet Hush now, don't explain
You're my joy and pain
My life's yours, love
Don't explain
