

For What It's Worth

Ozzy Osbourne

There's something happening here
What it is ain't exactly clear
There's a man with a gun over there
Telling me I got to beware I think it's time we stop, children, what's that sound
Everybody look what's going down Battle lines being drawn
Nobody's right if everyone's wrong
People speaking their minds
Getting so much resistance from behind Yeah, stop children, what's that sound
Everybody look what's going down What a field-day for the heat
Ten thousand people in the street
Singing songs and carrying signs
Mostly say, hooray for our side I think it's time we stop, children, what's that sound
Everybody look what's going down Paranoia strikes deep
Into your life it will creep
It starts when you're always afraid
Step out of line, the man come and take you away Stop, children, what's that sound
Everybody look what's going down
Stop, hey, what's that sound
Everybody look what's going down You better stop!
Stop
You better stop!
Stop
You better stop!
