# Flyest

## Swollen Members

and you know it (x6)
im so fly, so fly
drop 300 G's on my ride
yeah i'm fly, so fly
bullet proof whip for the women inside
swollen members the flyest, swollen members the flyest now (x2)
you can try try shooting but u you aint hitting shit
i just dropped 300 on a bulletproof whip
you cop the 300 i drop like 300 on a bulletproof whip
so you aint saying shit
ya my Gucci bunny she bought me a Gucci money clip
but money so thick that my money don't fit
got so many clothes i don't know which to pick
if it aint Gucci or loui then it aint about shit
im so fly im v.i.p i never wait in line
i design rhymes in clever ways
a heavy feather weight so fly i levitate
so fly i elevate so high im heavenly
i buy my g ride, them gucci jeans fit
cuz im a G making G's with them G chicks
shorty ill take you around the world in my G6
you got a man lets just keep this a secret
im so fly, so fly
drop 300 G's on my ride
yeah i'm fly, so fly
bullet proof whip for the women inside

swollen members the flyest, swollen members the flyest now (x2)
now shorty wanna lay back in the maybach
when i start she don't say stop
even when them haters pop
bullet proof glass im a captain first class
the leather soft as a feather
want her to see my barretta
if a mother fucker try to jack me
to heaven they headed now
hollow tips bouncing off my hood
my whip like superman
if u think u can shoot her man

no not even a Luger can penetrate
you dont believe it let me demonstrate
my jewelry custom made runs in my bloodline
cuz like a razorblade stay away from one time
except for that one time, that was on the other night
they fucked up the paperwork,
now thats what i call oversight
i buy my g ride, them gucci jeans fit
cuz im a G making G's with them G chicks
shorty ill take you around the world in my G6
you got a man lets just keep this a secret
im so fly, so fly
drop 300 G's on my ride
yeah i'm fly, so fly
bullet proof whip for the women inside
swollen members the flyest, swollen members the flyest now (x2)
