

# Long Way Home

## Stone Temple Pilots

Leave me out, get away  
I gotta go a long way home  
Can't see through the trees  
Leave me out, get away  
Better run fast as I can  
From the man, the dirty man, the old man  
In my song, run away, fly away  
Long way home  
Through the fields, the burning fields  
Call my name when you knock on the door  
Go insane  
When you knock on the door in my head  
And it's beatin' like a drum [Chorus]  
Tell me  
Is it more of the same and  
Where can I find it?  
Tell me  
Is she fighting for air and  
Where does she come from?  
Tell me  
Leave me out, get away  
I gotta go a long way home  
Can't see through the trees  
Leave me out, get away  
Better run fast as I can  
From the man, the dirty man  
Run away when he's knocking on the door [Chorus: x2] [Repeat: x2]  
What's she runnin' from, I really don't know  
Keep her runnin', it's a long way home  
I hear the music, the songs we know  
It's out of time and the beat's too slow
