Translation:

Donâ€™t worry, oh my friend
Our old selves have died yesterday.
If you think in that way, you can focus on whatâ€™s ahead! Right?

I used to imagine myself living a beautiful life
When that gets laughed at, it hurts, after all
Weâ€™re too bothered by what others think today, donâ€™t like it! No

Whoâ€™s the invisible enemy?

Ohâ€™Donâ€™t run away from the dream you had, baby
Ohâ€™Even if you feel like cryingâ€™Ohâ€™Or canâ€™t smile
Ohâ€™Donâ€™t forget that adolescent impulseâ€™Make it
Ohâ€™Whatâ€™â€™Ohâ€™do you live for?
Letâ€™s be revived, we have just one life

Itâ€™s the same for me, oh my friend
I canâ€™t see any other option
Instead of a reason to give up, letâ€™s find a reason to keep going

Even if you work till youâ€™re dead tired every day
No one will clap for you
If such days continue, of course itâ€™d feel like a rotten life! But

Whoâ€™s the invisible enemy?
Why do you pretend not to know about it?

Ohâ€™Reality is catching up with me, but I wonâ€™t lose to it, baby
Ohâ€™As I cryâ€™Ohâ€™Iâ€™m gonna smile
Ohâ€™Bearing with a bit of painâ€™Make it
Ohâ€™Todayâ€™Ohâ€™Iâ€™ll reach out again
Letâ€™s be revived, we have just one life

Ohâ€™Donâ€™t run away from the dream you had, baby
Ohâ€™Even if you feel like cryingâ€™Ohâ€™Or canâ€™t smile
Ohâ€™Donâ€™t forget that adolescent impulseâ€™Make it
Ohâ€™Whatâ€™â€™Ohâ€™do you live for?

Even if youâ€™re utterly worn out, just cling on, struggle, fight!

So what if you look pathetic?

Letâ€™s be revived, we have just one life
