

Moneyshot

Hatiras

Rock.. that... *****
Body like oh,
You don't even know.
You're a natural
And I like, I like..
Possibilities,
I'm gonna let you take the lead
Educate me,
Let me sit back,
Relax.
(Can I, Can I, Can I watch?)
(Can I, Can I, Can I watch?)
Don't let me disturb you, keep on doing what you do.
(Can I, Can I, Can I watch?)
(Can I, Can I, Can I watch?)
Lights, camera, action, girl you're pure perfection.
Gimme that,
Gimme that money,
Gimme that money, (money)
That money shot.
(x4)
Best of both worlds,
Open minded girl.
You and her and her
Alright, alright.
Things are heating up,
Like the way you spread the love.
Oh, oh yea!
I'm gonna sit back,
Relax.
(Let's go!)
(Can I, Can I, Can I watch?)
(Can I, Can I, Can I watch?)
Don't let me disturb you, keep on doing what you do.
(Can I, Can I, Can I watch?)
(Can I, Can I, Can I watch?)
Lights, camera, action, girl you're pure perfection.
