

# Drones

## Fear Factory

You waste away  
A spinning cage  
Mass blinded by the sun You spend your day  
Stuck in a race  
And life has just begun A paradise is in eclipse  
And lives are lost  
And for distress The wage of sin is money spent  
Your life a debt full of regret We are lost in the maze  
Falling  
Falling... And now your life  
Amounts to nothing  
A fortune has a price Cause in the end  
All humans die  
A debt your in the hide A paradise is in eclipse  
And lives are lost  
And for distress The wage of sin is memory spent  
Your life a debt full of regret We are lost in the maze  
Falling  
Falling.... Falling away again... (Get! Up!) Lost in the maze  
Falling  
Falling... Falling away again...
