Patterns

Moulettes

Ever feel like there's a secret that is close at hand?
And if you could touch it,
if you could reach it, you could peel it backNumbers, the patterns that moves in numbers
Numbers, the patterns that moves in numbersIf there's a code, if there's a cipher,
if there's a pattern that moves in numbers
Leans over to whisper what is trying to tell you?Ever feel like there's a secret that is close at hand?
And if you could touch it,
if you could reach it, you could peel it backIt's never quite as it seems...Ever feel like there's a secret that is close at hand?
And if you could touch it,
if you could reach it, you could peel it back
Numbers, the patterns that moves in numbers
Numbers, the patterns that moves in numbers
