Laundromat Kat

Flesh for Lulu

TV-AM no cigarettes
Crawl out the front door, what'd I forget?
It was Monday morning 10 o'clock
When she bought you down at the shop
Out on my rounds, let's go for a walk
I don't really mind if you spit when you talk
Tumble dryer, tumble dry
Guaranteed to get you highOh, hop on in!Oh, this is a story of a girl I knowWill I ever let her go?
Pussy cat, pussy cat where you been?
Round and around in a washing machine
I said washing machine, washing machine
For a hundred spins and I'm almost clean
Tumble dryer, tumble dry
Guaranteed to get you high
It's only the law
I said "Have a nice day"
Don't go washin' your brains away
Pussy cat, pussy cat where you been?
Round and around in a washing machine
Oh yeah, you gotta go
Yeah, you gotta go
Uptown, 'round 'round
Pussy cat, pussy cat
We gotta go
Ah, everybody knows
Yeah
Aw, 'round and 'round
