

Concrete

Sean Paul

A the gal them international DJ comin?
Through, so yow!
Respect is due all the man
Them inna the street but the gal inna me fleet
Woman your physique concrete
Can?t delete you fat because you buff up complete
24 hours seven days of the week
Want you listen to me voice
When it come tru' the speaker
Move ?pon you feet
Gal your physique concrete
Can?t delete you fat because you buff up complete
24 hours seven days of the week
Want you listen to me voice
When it come tru' the speaker
Move ?pon you feet, gal
Well I got to give thanks and praises
Feel the gal them
Feel the gal them lingerie laces
Feel the gal them cutest of faces
We take them out to high places
And take them back to we bases
Because we wet them oasis
Wet them, wet them oasis me go so
A Sean Paul we biggin? up the gal them design
We mark them out o?ten who gave the biggest behind
Me seek and me find which one a'go be mine
Sent from above you know them well define
Concrete
Can?t delete you fat because you buff up complete
24 hours seven days of the week
Want you listen to me voice
When it come tru' the speaker
Move ?pon you feet
Gal your physique concrete
Can?t delete you fat because you buff up complete
24 hours seven days of the week
Want you listen to me voice
When it come tru' the speaker

Move ?pon you feet, gal
So what is the hold up
You want your body control up
Then come and jump on me pole up
Is why you acting so cold up
Hold on make me stone up
And tiger bone up and roll up
And get me sittin? well grown up
And then you started to monk up
Catch it woman you know you got the body
Man a watch it
And every time you pass by the road
You a flash it
A so we get fi know say that you physically fit
You too legit to quit
Woman your physique concrete
Can?t delete you fat because you buff up complete
24 hours seven days of the week
Want you listen to me voice
When it come tru' the speaker

Move ?pon you feet
Gal your physique concrete
Can?t delete you fat because you buff up complete
24 hours seven days of the week
Want you listen to me voice
When it come tru' the speaker
Move ?pon you feet, gal
Well I got to give thanks and praises
Feel the gal them
Feel the gal them lingerie laces
Feel the gal them cutest of faces
We take them out to high places
And take them back to we bases
Because we wet them oasis
Wet them, wet them oasis me go so
A Sean Paul we biggin? up the gal them design

Concrete
Can?t delete you fat because you buff up complete
24 hours seven days of the week
Want you listen to the talk
When it come tru' the speaker

Move 'pon you feet
Gal your physique concrete
Can't delete you fat because you buff up complete
24 hours seven days of the week
Want you listen to me voice
When it come tru' the tweeter
Move 'pon you feet, gal
So what is the hold up
You want your body control up
Then come and jump on me pole up
Is why you acting so cold up
Hold on make me stone up
And tiger bone up and roll up
And get me sittin' well grown up
And make you started to monk up
Catch it woman you know you got the body
Man a watch it
And every time you pass by the road
You a flash it
A so we get fi know say that you physically fit
Gal too legit to quit
Woman to your concrete
Can't delete you fat because you buff up complete
24 hours seven days of the week
Want you listen to me talk
When it come from the speaker
Move 'pon you feet
Gal your physique concrete
Can't delete you fat because you buff up complete
24 hours seven days of the week
Want you listen to me voice
When it come from the tweeter
Move 'pon you feet
