

# Trail Of Broken Hearts

[k.d. lang](#)

Trail of broken hearts  
Looking back at you  
Now and from the start  
These words will travel true  
The godspeed of trust  
Will settle the dust  
We've been passing through Broken trail so long  
A long and tired past  
An emptiness has gone  
I've found this place at last  
And here will remain  
With only the aim  
Of staying sure and fast  
Leaving just a part  
Down the trail of broken hearts Trail of broken hearts  
Looking back at you  
Now and from the start  
These words will travel true  
The godspeed of trust  
Will settle the dust  
We've been passing through Leaving just a part  
Down the trail of broken hearts
