When I Look At You

Jose Rodrigo Arango & Miley Cyrus

Everybody needs inspiration
Everybody needs a soul
A beautiful melody
When the night's so long
Cause there is no guarantee
That this life is easyYeah, when my world is falling apart
When there's no light to break up the dark
That's when I, I, I look at you
When the waves are flooding the shore and I
Can't find my way home anymore
That's when I, I, I look at youWhen I look at you
I see forgiveness
I see the truth
You love me for who I am
Like the stars hold the moon
Right there where they belong and I know
I'm not aloneYeah, when my world is falling apart
When there's no light to break up the dark
That's when I, I, I look at you
When the waves are flooding the shore and I
Can't find my way home anymore
That's when I, I, I look at youYou, appear, just like a dream to me
Just like cyledoscope colors that
Prove to me
All I need
Every breath, that I breathe
Dontcha know?
Your beautifulYeah yeah...When the waves are flooding the shore
And I cant find my way home anymore
Thats when I,
I I look at you
I look at youYeah yeah...
Oh oh...
You appear just like a dream to me...
