

When I Look At You

Jose Rodrigo Arango & Miley Cyrus

Everybody needs inspiration
Everybody needs a soul
A beautiful melody
When the night's so long
Cause there is no guarantee
That this life is easy Yeah, when my world is falling apart
When there's no light to break up the dark
That's when I, I, I look at you
When the waves are flooding the shore and I
Can't find my way home anymore
That's when I, I, I look at you When I look at you
I see forgiveness
I see the truth
You love me for who I am
Like the stars hold the moon
Right there where they belong and I know
I'm not alone Yeah, when my world is falling apart
When there's no light to break up the dark
That's when I, I, I look at you
When the waves are flooding the shore and I
Can't find my way home anymore
That's when I, I, I look at you You, appear, just like a dream to me
Just like cyledoscope colors that
Prove to me
All I need
Every breath, that I breathe
Dontcha know?
Your beautiful Yeah yeah... When the waves are flooding the shore
And I cant find my way home anymore
Thats when I,
I I look at you
I look at you Yeah yeah...
Oh oh...
You appear just like a dream to me...
