Radio

Beyoncà¹‰

I be on the hot line like everyday
Making sure the deejay know what I want him to play
You know I got my top back and my beat low
Rocking my stunner shades and turning up my radio
Turn up my radio

[Chorus]
I think I'm in love with my radio
'Cause it never lets me down
And I fall in love with my stereo
Whenever I hear that sound
Whenever I hear that sound
Whenever I hear that sound

You're the only one that papa allowed to hang out in my room with the door closed
We'd be alone
And mama never freaked out when she heard it go boom
'Cause she knew we were in the zone

Hold him in my arms and look out of my window
(Under the moonlight)
And he'd be keeping me close, so I'd never let him go
He's got a place in my heart

[Chorus]

When I get into my car, I turn it up
Then I hear vibrations all up in my trunk
And the bass line be rattling through my seats
Then that crazy feeling starts happening

I get butterflies when I hear the deejay
(Playing the stuff I like)
And I fall deeper in love with every song he plays
He's got a place in my heart

[Chorus]

I be on the hot line like everyday
Making sure the deejay know what I want him to play

You know I got my top back and my beat low
Rocking my stunner shades and turning up my radio
Turn up my radio

[Chorus]
