

# Broken Road

## 12 Stones

Time moves slowly while you're gone  
I haven't heard your voice in quite some time  
But I still see your face  
I cannot erase the things you've done  
And all the ways you kept me hanging on Now you're gone, I've moved on  
And I don't feel so sorry  
Can't you see I'm bleeding?  
But I won't bleed anymore I've held on for so long now  
But I had to let you go  
At the end of our broken road I know it hurts to hear the truth  
Well maybe I was never meant to be with you  
And I cannot replace the tears of disgrace  
That run for you  
'Cause running from the truth is what you do Now you're gone, I've moved on  
And I don't feel so sorry  
Can't you see I'm bleeding?  
But I won't bleed anymore I've held on for so long now  
But I had to let you go  
At the end of our broken road You were all I've ever known  
And I cannot replace all these tears of disgrace  
And I won't bleed for you anymore Now you're gone, I've moved on  
And I don't feel so sorry  
Can't you see I'm bleeding?  
But I won't bleed anymore I've held on for so long now  
But I had to let you go  
At the end of our broken road And I won't bleed for you anymore  
I've moved on  
And I won't bleed for you anymore  
I'm bleeding but I won't bleed anymore I've held on for so long now  
But I had to let you go  
At the end of our broken road
