

# All I Want

## Collabro

All I want is nothing more, to hear you knocking at my door  
Cause if I could see your face once more,  
I could die a happy man I'm sure But if you love me, why'd you leave me  
Take my body, take my body  
All I want is and all I need is  
To find somebody  
I'll find somebody See you brought out the best of me  
A part of me I've never seen,  
You took my soul and wiped it clean  
Our love was made for movie screens But if you love me, why'd you leave me  
Take my body, take my body  
All I want is and all I need is  
To find somebody  
I'll find somebody Like you...  
Like you... Ohhhh... But if you loved me, why'd you leave me  
Take my body, take my body  
All I want is and all I need is  
To find somebody  
I'll find somebody Like you...  
Like you...
