

Dust In the Summer Rain (feat. Lilja Bloom)

Parov Stelar

This time you have to walk alone
Don't call me, I blast my nasty phone
I left the place that you go home
I left the place that you go home
Don't you know I died for you
Like the dust in the summer rain Said you none
Said you none Don't you know I died for you
Like the dust in the summer rain Don't you know I cried for you
Like a boy, like the fallen crane
Don't you know I died for you
Like the dust in the summer rain don't you know i fight for you
like the flame? Said you none
Said you none Don't you know I died for you
Like the dust in the summer rain Don't you know I cried for you
Like a boy, like a fallen crane Don't you know I died for you
Like the dust in the summer rain Don't you know I cried for you
Like a boy like a fallen crane Don't you know I died for you
Like the dust in the summer rain
don't you know i fight for you
like the flame? Said you none Don't you know i died for you
Like the dust in the summer rain
