

Devastation of Your Soul

Destruction

You wake up in a pool of blood
You can't remember that you'd cut
Human beings into pieces
Of dead meat and disgusting guts
Of course they don't deserve to live
But who are you that you decide
Which life will get swallowed
From the eternal jaws of death
Despair pain
Despair leads to hate
Pain causes fear
Try to forget
Time will not heal
Resign deep inside
Devastation of your
Soul don't forget
Time will not heal
Resign deep inside
Devastation of your soul
