

Learning the Game

[Natalie Merchant](#)

Hearts that are broken and love that's untrue
These go with learning the game
When you love him and he doesn't love you
You're only learning the game When he says that you're the only one he'll ever love
Then you find that you are not the one he's thinking of
Feeling so sad when you're all alone and blue
That's when you're learning the game Hearts that are broken and love that's untrue
These go with learning the game
When you love him and he doesn't love you
You're only learning the game When he says that you're the only one he'll ever love
Then you find that you are not the one he's thinking of
Feeling so sad when you're all alone and blue
That's when you're learning the game
You're only learning the game
