She's Not an Angel

She's Not an Angel - Mick Flavin

She wakes me each morning with a smile
And she whispers to me softly, sheâ€™s glad sheâ€™s mine
Thereâ€™s not a star above that we canâ€™t reach
Sheâ€™s not an angel, but sheâ€™s close enough for me.

She likes to party and the bright lights, just like me
And the love she gives is all Iâ€™ll ever need
Sheâ€™ll play a part in every dream I dream
Sheâ€™s not an angel, but sheâ€™s close enough for me.

INSTRUMENTALâ€¦

She has her faults, just like everybody does
Sheâ€™s not a high-class fancy lady, but itâ€™s her I love
Sheâ€™s everything that I want her to be
Sheâ€™s not an angel, but sheâ€™s close enough for me.

She likes to party and the bright lights, just like me
And the love she gives, is all Iâ€™ll ever need
Sheâ€™ll play a part in every dream I dream
Sheâ€™s not an angel, but sheâ€™s close enough for me,
Sheâ€™s not an angel, but sheâ€™s close enough for me.
