

# Don't Go to Strangers

**Joni Mitchell**

Build your dreams  
To the stars above  
But when you need someone true to love  
Don't go to strangers  
Lover come to mePlay with fire  
Get your fingers burned  
But when there's no place left to turn  
Don't go to strangers  
Lover come to meYou give the call to follow your heart  
You'll follow your heart, I know  
I've been around  
I'm an old hand  
I'll understand if you have to goSo make your mark  
For your friends to see  
But when you need more than company  
Don't go to strangers  
Lover come to meDon't go to strangers  
Lover come to me
