I Am Invincible

Cassadee Pope

Broken glass inside
Won't cut through me
Pain behind my eyes
I turn into strength
Oh I will fight
I will surviveChorus
I am invincible
I am unbreakable
I am a diamond cut to last
I am unstoppable
I am a hero
Like a phoenix from the ashInvincibleCracks run through these walls
But they still stand strong
Oh, heart covered in scars
But my fear is gone
Oh I will fight
I will surviveRepeat ChorusNothin' gonna make me break or shatter
No one's gonna tell me I don't matter, no
I won't let you
Time is runnin' out, keeps gettin' faster
Gotta find a way, to rewrite the answers
'Till I can sayRepeat ChorusI am invincible
I am unbreakable
I am a diamond that will lastInvincible
