

# Actin Up (feat. Eric Bellinger)

[Abrina](#)

It's changin' up on me  
Said the burns that you hittin'  
You were wid it  
Sorry is to me  
You're backin' up cause you got it  
It's been a month and now you're changin' up  
Let you hit and now you're actin' up  
Used to call me on my phone just to talk for hours  
Show up at the crib just to bring me some flowers  
It was never selfish, everything was ours  
Now you took your phone with you, leave it in the shower  
Go ahead and fall back, I ain't worried bout a call back  
When I pick up that make sure you saw that  
Follow them lights, you like that  
Now you're sippin' on Reeba right where I want you  
And now I don't need you, no?  
It's been a month and now you're changin' up  
Let you hit and now you're actin' up  
Used to call me on my phone just to talk for hours  
Show up at the crib just to bring me some flowers  
It was never selfish, everything was ours  
Now you took your phone with you, leave it in the shower  
Go ahead and fall back, I'm at the club and it's all packed  
Boys who buy me drinks ain't like that  
Betta hit them hose on me, ay che  
Now you're sippin' on Reeba right where I want you  
And now I don't need you, no?  
It's been a month and now you're changin' up  
Let you hit and now you're actin' up  
Why you actin' up?  
Baby I'mma keep it real with ya  
Start it up, I used to love to chill with ya  
Nowadays I don't even wanna deal with ya  
Used to freak me at the drop of the dime  
But now I came to your town  
I can't keep it toying with the boys, I'mma man up  
Unless we on cam in the same ass roleplay  
Consistency is what you never gave me  
And that's why it's too late

It's been a month and now you're changin' up  
Let you hit and now you're actin' up  
Used to call me on my phone just to talk for hours  
Show up at the crib just to bring me some flowers  
It was never selfish, everything was ours  
Now you took your phone with you, leave it in the shower
