

What Do I Care?

Johnny Cash

When I'm all through if I haven't been what they think I should be

 If the total isn't high enough when they figure me

 When I grow old if there's no gray from worry in my hair

What do I care? What do I care? What do I care just as long as you were mine a little while?

 When the road was long and weary you gave me a few good mile

 What do I care if I miss a goal because I make a slip?

I'll still be satisfied because I tasted your sweet lips What do I care if I never have much money?

 And sometimes my table looks a little bare

 Anything that I may miss is made up for each time we kiss

You love me and I love you, so what do I care? What do I care just as long as you were mine a little while?

 When the road was long and weary you gave me a few good mile

 What do I care if I miss a goal because I make a slip?

I'll still be satisfied because I tasted your sweet lips
