

Sing Child

Heart

Sing, child sing
Sing, child sing Melody maker
Giver and taker, yeah
Heart breaker
Ooh, he want to sing I know
Try it again
Ooh, sooner or later
He gonna break down and sing Sing, child sing
Sing, child sing Oh, holy junkie
Ooh, funky monkey
Yeah, everybody calls him honey
Would he gonna sing I know
He don't want to play that game
He gotta play that game
Ooh, honey, honey, honey
You gotta come down and sing, yeah Sing, child sing
Sing, child sing Sing, child sing
Sing, child sing Dreamer
Machiner
What will you ever do when you blow a fuse?
You gonna stay here?
Come on, honey, honey roll
Sooner or later
You're gonna breakdown and sing Sing, child sing
Sing, child sing
