

# Hold Me Closer

Emile Simon

Hold me closer, hold me still  
Say you will hold me closer I just wanna be with you  
I know it's crazy but it's true  
I want you to be my side I need you every day  
I need you more than words can say  
Can you hold me closer now? My love is all I have to give  
Without you, I don't wanna live  
Hold me closer now, hold me still  
Say you will hold me closer My love is all I have to give  
Without you, I don't wanna live  
Hold me closer now, say you will  
Hold me still, hold me closer My hands are sweaty, knees are weak  
I cannot eat, I cannot sleep  
Looks like love's got a hold on me I try to get you on the phone  
To tell something's going on  
I really don't know what to do My love is all I have to give  
Without you, I don't wanna live  
Hold me closer now, hold me still  
Say you will hold me closer My love is all I have to give  
Without you, I don't wanna live  
Hold me closer now, say you will  
Hold me still hold me closer When we're old and when we're gray  
I can tell you, I won't talk this way  
Am I crazy and dumb, or am I much too young?  
Much too young, much too young, much too young My love is all I have to give  
Without you, I don't wanna live  
Hold me closer now, hold me still  
Say you will hold me closer My love is all I have to give  
Without you, I don't wanna live  
Hold me closer now, say you will  
Hold me still, hold me closer My love is all I have to give  
Without you, I don't wanna live  
Hold me closer now, hold me still  
Say you will hold me closer My love is all I have to give  
Without you, I don't wanna live  
Hold me closer now, say you will  
Hold me still, hold me closer
