

# You Love to Sing (Slow Version)

## Copeland

I've never any time to play  
It always seems to slip away  
But it never really goes by  
While I wait here with my lullaby  
For our only trySing with your head up  
With your eyes closed  
Not because you love the song  
Because you love to sing  
Because you love to sing, ohYou saw frustration on my brow  
You noticed I'm distracted now  
I'm thinking only of my bill fold  
And how I want to face you with  
Diamonds and gold in my head, in my headSing with your head up  
With your eyes closed  
Not because you love the song  
Because you love to sing  
Because you love to sing, ohSing with your head up  
With your eyes closed  
Not because you love the song  
Because you love to sing  
Because you love to sing, ohSing with your head up  
With your eyes closed  
Not because you love the song  
Because you love to sing  
Because you love to sing, ohSing with your head up  
With your eyes closed  
Not because you love the song  
Because you love to sing  
Because you love to sing, oh
