

Here I Am

Camp Rock

They tell you a good girl is quiet and that you should never ask why

'Cause it only makes it harder to fit in

You should be happy, excited even if you're just invited

'Cause the winners need someone to clap for themIt's so hard just waiting in a line that never moves
It's time you started making your own rulesYou gotta scream until there's nothin' left with your last breath

 Say here I am, here I am, make 'em listen

 'Cause there's no way you'll be ignored not anymore

So here I am, here I am, here I am, here I amYou only get one life to work it so who cares if it's not perfect
 Say it's close enough to perfect for me

 Why should you hide from the thunder and the lightning that you're under

'Cause there ain't nobody else you wanna beIf how your living isn't working there's one thing that will help
You gotta finally just stop searchin' to find yourselfYou gotta scream until there's nothin' left with your last
 breath

 So here I am, here I am, make 'em listen

 'Cause there's no way you'll be ignored not anymore

So here I am, here I am, here I amThe world better make some room, yeah, move over, over

'Cause you're coming through, 'cause you're coming throughYou gotta scream until there's nothin' left with
 your last breath

 Here I am, here I am, make 'em listen

 'Cause there is no way you'll be ignored not anymore

 So here I am, here I am, here I am, here I am, here i am
