

# The Sound of Strangers

## Saga

Don't be fooled by what you see  
I'm just an ordinary man

Oh you think you've seen it all  
But I always save the best for last  
Now just look into my eyes  
I've found the way  
Through the confusion  
That's why I've lived my life  
Safe inside the security of illusion  
The security of illusion  
The security of illusion

I was alone until I learned  
The security of illusion  
I've found a home and it's safe and sound  
The security of illusion  
I can't explain the security of
