

# Nothing to Remember

## Neko Case

I've spent my life  
Becoming invisible  
It's hard to maintain  
And it's hard to get by  
I don't recall  
Fight or flight setting in I have no introduction  
I just breathe it in like the air  
And there's nothing to remember  
There is nothing to remember  
I owe you nothing  
That's all I've got for you  
And you'll borrow nothing  
That's what you expect of me So you send me your love  
Tied up in sailors knots  
And I fear underneath  
The way to your thoughts  
My footsteps now  
They will echo too loudly All I own, all I own  
Strides I spend to the finish line  
All I own, all I own  
Strides I spend to the finish line  
And I'll give you those You told me something  
That scared me to death  
Don't take me home  
I can't face that yet  
I'm ashamed that I'm barely human  
And I'm ashamed that  
I don't have a heart you can break  
I'm just action  
And at other times reaction All I own, all I own  
Strides I spend to the finish line  
All I own, all I own  
Strides I spend to the finish line  
I'll give you those Just don't make me go home Give me something to remember  
Give me something to remember  
Give me something to remember
