Wet Pussycat

Unida

When she said the bones are home, high
When she said the dogs gone, oh high, high
You blast through the front doorway, you're high
Blast through the back door, you're all mine, ohI am the one way, I am the Sunday
Only if you and in your head
Something is wrong babe, just come to me said
I am the only one for you, yeahWhen you move your hips babe, so fine
When you move your head babe, lookin' alright
When you shake your ass babe, your looking so fine
And when you said your heart breaks, you better shake it downI am your only, just because lonely
I am the one because you're true

Somethin' is wrong because you're true
