

Cinnamon Girl (Depressed Mode Mix)

Type O Negative

My cinnamon girl
My cinnamon girl I want to live with a cinnamon girl,
I could be happy the rest of my life with her. A dream of a beach as I run in the night,
You see us together chase the moonlight. My cinnamon girl
My cinnamon girl Ten silver saxes, a bass with a bow,
The drummer relaxes, waits between shows. Feels like
A dream of a beach as I run in the night
You see us together chase the moonlight.
Alright. My cinnamon girl
My cinnamon girl Pa sent me money now
I'm gonna make it somehow
I need another chance,
You see your baby loves to dance
Yeah, yeah Feels right
All right My cinnamon girl
My cinnamon girl
Ooooh
