

# My Blue Eyed Jane

Bob Dylan

The sweetest girl in the world  
Is my blue-eyed Jane  
We fell in love like turtledoves  
While the moon was shining down  
I asked her then, I asked her when  
Wedding bells would ring  
She said, "Oh, dear, it seems so queer  
That this could happen here." You are my little pal  
And I never knew a sweeter gal  
My little blue-eyed Jane  
I love you so  
And when the sun goes down  
And the shadow's creeping over town  
Just meet me in the lane  
My blue-eyed Jane Janie dear, listen here  
I've come to say farewell  
The world is drear without you, dear  
But now I cannot linger here  
I'm going away this very day  
Oh please, come go with me  
I'll be sad and blue wanting you  
Longing all day through My little blue-eyed Jane  
You'll always be the same sweet thing  
I know you'll never change  
I love you so  
And when the sun goes down  
And the shadow's creeping over town  
Then I'll come back again  
My blue-eyed Jane
