

Not Me

Lo-Pro

Always waiting for the truth to come out
I'm caged in your eyes
And it's making me lie So I'm not everything you wanted me to be
Sorry, I ever disappointed
I am not me I lied my way in through your heart
I feel so ugly
And it's tearing at me So I'm not everything you wanted me to be
Sorry, I ever disappointed
I am not me I am not me
I am not me
I am not me I am not me
So I'm not everything you wanted me to be
Sorry, I ever disappointed
I am not me
