

Nothin' On You

Tyrese

Tyrese Verse

How Many Times Have I Called You,
Checking In When I Knew I'd Be Late,
And How Many Times Did Invite You Around,
Knowing Lately All In My Face,
So Tell Why You Trippin Girl,
About All These Different Girl,
Is That Really What You Think Of Me,
When You Got The Most Important Piece Of Me (piece of me),
I Could Be Leaving But I'm Not ,
I Realize What I Got,Cant Nobody Take Your Spot,Chorus
No Matter How Many Places I Go,
I Will Always Call You Home,
They Ain't Got Nothing On You,Uuuu..Oooo Ahh
I Know We Be Fussin, Think Its Always Something,
But Its Nothing On You Uuuuu...OooooEvery Morning That I Get Up,
Want You So Much Better Yeah..
You Aint Gotta Be Around,
Baby For Me To Always Hold You Down,
They Ain't Got Nothing On You Uuuu...Ooooo..Nothin Nothin..
They Aint Got Nothin On You..Tyrese Verse
She Might Look Like Holly,
But You Always Steal The Scene,
And I Know You Think That I'm Not Ready,
To Truly Say That You're The One For Me,
Its NotThat I Dont Think About It,
Girl I Might Look But I Won't Touch,
I'll Never Put That Sh*T On Us,
Will I Ever I Leave Or Doubt It,
Baby You So Stole My Heart,
So I Can't Go Too Far,Chorus
No Matter How Many Places I Go,
I Will Always Call You Home,
They Ain't Got Nothing On You,Uuuu..Oooo Ahh
I Know We Be Fussin, Think Its Always Something,
But Its Nothing On You Uuuuu...OooooEvery Morning That I Get Up,
Want You So Much Better Yeah..
You Aint Gotta Be Around,
Baby For Me To Always Hold You Down,
