We Both Deserve Each Other's Love

Jeffrey Osborne

We both deserve each other's loveYou, you're just as sweet as peaches and cream
(To me you're as sweet as peaches and cream)
You must have stepped right out of my dreams
'Cause you and I were meant to be
('Cause you and I were meant to be)I, I am a very fortunate guy
(So lucky am I, to be by your side)
Lucky to have you all of the time
One of a kind, you know to me you're so fine
I thank the Lord for you and I, yeah
(I thank the Lord for you and I)Ooh, ooh, hmm
(Doo doo doo doo doo doo doo doo doo doo)
Whoa, oh, oh, whoa, oh
Whoa, hoo hoo, hoo hoo, yeah yeahWe
(You and I deserve each other's love)
Just you and I that's how it will be
(Together we'll be just you and me)
Let there be nothin' stand in our way
(You and I deserve each other's love)
Hear what I sayBecause we're both deserving of
(You and I deserve each other's love)
Deserving of each other's love
(We both deserve each other's love)We both deserve each other's love, alright
(We both deserve each other's love)
Deserving each other's love
(We both deserve each other's love)We both deserve each other's love, yeah, hey, hey, hey, hey
(We both deserve each other's love)
Deserving one another's love, hey, hey, hey, yeah
(We both deserve each other's love)
We both deserve each other's love, hey, hey, hey, hey
(We both deserve each other's love)
