Slave To The Parasites

Hypocrisy

A pain worse than anything else
Or maybe I'm dead, both trapped in a cage
Alone in my body now a shell deserted
Or is this the end of my ageCrushed into the bitter end
Is the thing's I cannot avoid
Drowning in a circle of hell
They won't let me exist on my ownSlave to the parasites
I can't get away
They won't leave me beSlave to the parasites
Here they come again
There is nowhere to hideSeeing my life crushed
I'm all alone
Digging into my life
Deadly thoughtsThe night is fallen
I know they are coming around the bend
They use me as an experiment
Which I don't understandCrashed into the bitter end
Is the thing's I cannot avoid
Drowning in a circle of hell
They won't let me exist on my ownSlave to the parasites
I can't get away
They won't leave me beSlave to the parasites
Here they come again
There is nowhere to hideThey won't get me this time
I can hear them coming closer
I'm not afraid to die
But I'd rather die than someone control my mindSlave to the parasites
I can't get away
They won't leave me beSlave to the parasites
Here they come again
There is nowhere to hideSlave to the parasites
I can't get away
They won't leave me beSlave to the parasites
Here they come again
There is nowhere to hideSlave to the parasites, parasites
Slave to the parasites
Slave to the parasites
