

How Sweet It Is

Michael BublÃ©

How sweet it is to be loved by you
How sweet it is to be loved by you
I needed the shelter of someone's arms
And there you were
With sweet love and devotion
Gently touching my emotion

I want to stop to thank you baby
How sweet it is to be loved by you
How sweet it is to be loved by you

Open my eyes at night
I wonder what I would be without you in my life
Everything was just a bore
All the things I've done
You know I've done them before
But you brightened up all of my days
With your love so sweet and in so many ways

I want to stop to thank you baby
How sweet it is to be loved by you
How sweet it is to be loved by you
Sweeter than the honey from the bees, baby
