

# Separate Lives (Live on The Current)

## Haelos

How long this time  
Sand in the hourglass  
Never aligned  
You're my scratched up 45  
There isn't an end to this  
That we haven't tried Are we  
Waiting on a turn in the tide  
To realize  
These separate lives  
We're still here  
Waiting on a turn in the tide  
Just words with no rhyme  
These separate lives  
Time it rolls slowly  
Keep moving on  
We keep on  
Time it rolls slowly  
Keep moving on  
We keep on  
Time it rolls slowly  
Keep moving on  
We keep on  
Time it rolls slowly  
Keep moving on  
We keep on Stalling each turn  
These shadows of change appear  
As you return  
Drifting two ways unknown  
Heavy eyes on the road again  
Hung on your dialling tone  
Are we  
Waiting on a turn in the tide  
To realize  
These separate lives  
We're still here  
Waiting on a turn in the tide  
Just words with no rhyme  
These separate lives Time it rolls slowly  
Keep moving on

We keep on  
Time it rolls slowly  
Keep moving on  
We keep on  
Time it rolls slowly  
Keep moving on  
We keep on  
Time it rolls slowly  
Keep moving on  
We keep onKeep moving on  
We keep onKeep moving on  
We keep onKeep moving on  
We keep onKeep moving on  
We keep on
