

# Want You

## The Bangles

(V. Peterson)

I want you I don't want to sleep, go on and speak  
Wearing out the carpet with my feet And I want you  
I want you You don't know how bad you've got me hooked  
I hate myself 'cause you don't like my looks I want you

I want you

Oh ah, oh ah

I want you Everything's still playing in my head  
I'm twisting and I'm crying in my bed I want you

Yeah, I want you It's not fair

I should be there too

With you Here I am still trying to erase  
Everything, your voice, your smile, your face I want you

Yeah, I want you

Oh ah, oh ah

I want you 'Cause I want you

Yeah, I want you
