

Nurture My Pig

Reverend Horton Heat

Hey baby I got a pig
I got a pig and it's pink and big
Hey baby I got a pig
Yeah come on baby you and my pig Nurture my pig
Now you talk that slop now baby
And my pig he loves that slop
Slop baby I got your slop Come on baby you and my pig
Nurture my pig Hey baby I got a pig
I got a pig and it's pink and big
Hey baby I got a pig
Yeah come on baby you and my pig Nurture my pig, nurture my pig
Where's the worm
Where's the worm I think it's safe to say the worm is...
