Crazy Beautiful Life

Scott Chesak & Thomas Hien

It might seem strange for you my friend
But some things are always heaven sent
The more you want the harder it gets
The more you let go the more you get

Itâ€™s a crazy beautiful life
Itâ€™s a crazy beautiful life
Some things make sense
And you don`t know why
Itâ€™s a crazy beautiful life

Nothing lasts forever Someone told me so
Life is always changing ain't what u think u know
Even if u`r standing still u`r floating in space
So grab a hold of your heart and youâ€™ll find your place

In this crazy beautiful life
In this crazy beautiful life
Some things make sense
And you don`t know why
Itâ€™s a crazy beautiful life

Where ever you are what ever you do
What ever wishes might come through
What ever you got what ever you give
You make it a beautiful life to live

Itâ€™s a crazy beautiful life
Itâ€™s a crazy beautiful life
Some things make sense
And you don`t know why
Itâ€™s a crazy beautiful life
