It'll Be Alright

A Place to Bury Strangers

It'll be AlrightThis time
It's not about you
So tired
But what can you do
Last night
I wanted to say
Move on
And look on the brighter sideBut your eyes
Never seem to open
There's a whole world outside
See I'm trying to tell you
It'll be alrightDid not
Think you leave it this long
Work hard
Or maybe you've got nothing to say
Please call
I'm begging you to
Forgot
I never got back to youAnd your eyes
Never seem to open
There's a whole world outside
See I'm trying to tell you
It'll be alrightAnd when your all alone
You catch your breath
You save yourself
You save yourself
It's easy
If you'd only try
It's easyBut your eyes
Never seem to open
There's a whole world outside
See I'm trying to tell you
It'll be alrightI thought you'd call
I thought you'd change
But why expect
Oh so much from your friendsI know who you are
And you know who I am
Is that not enough
